Division of Des-Dawn Corporation

SPECIAL BUSINESS SERVICES

Serving Business Owners Needs for Over 42 Years

Tax Issues/Audit Representation/IRS Liens & Levy

IRS & State Compliance agencies know that most Business owners don't know much about taxes or even understand their rights. **TAXCO** is here to even the playing field and defend the countless issues that develop with the IRS, EDD (Employment Development Dept.), FTB (Franchise Tax Board), & SBOE (State Board of Equalization). With our experienced staff of EA's (Enrolled Agents), CPP's (Certified Payroll Professional), and CPA's (Certified Public Accountant) that make up our team, we understand IRS & State Compliance agencies tactics and give a clear advantage in resolving your problems.*

Monthly Financials - Bookkeeping Features

By coding income and expenses from the Chart of Accounts that we create for your business, this means you will receive a more complete and accurate monthly financial report. Reports include Profit and Loss, Income Trend Analysis (YTD), Bank Reconciliation, General Ledgers, and Balance Sheets.

Tax Compliances

All Government, State & Local Agencies, Sales tax, Use Tax, Business License, Annual Minutes, and Statement of Information. **TAXCO** is here for you Year-Round.

Tax Planning and Preparation

Every quarter your business receives a complete analysis by our tax department. Our objective is to make sure we are taking advantage of every tax law that affects your industry, rather than the tax laws taking advantage of you.

Tax Consultation and Business Financial Guidance

We see that most business owners are not receiving the attention they need throughout the year when it comes to strategizing. This area alone can save an owner anywhere from 10-20% less liability at year-end.

Year-End

Your business year-end closing forms are included, such as Entity Tax Return, County Assessors year-end, Personal Business Property Tax Return, balance sheet reconciliation, 1099's, Annual Minutes/Statement of Information (Corporations & LLC's), and Business Valuations.

Payroll

Fast, accurate, complete, and flexible with all the latest technology. Payroll tax compliances are handled automatically, along with EDD & IRS quarterly and annual returns. We offer online payroll, pay-as-you-go workers compensation insurance, and a variety of time clock products.

*Audit & Compliance representation available when you become a monthly business client.
